

Easy Strip Mini Fiber Pigtails

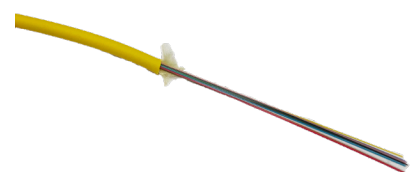

These Easy Strip fiber pigtails feature a durable outer jacket ensuring strength and protection during installations. This distribution fiber fans out into the 900um tight buffered fibers, color coded to TIA-598-A industry standards. These pigtails are available in single mode or multi-mode, 6-packs or 12-packs, and your choice of connectors. All pigtails feature low insertion loss, low back reflection and are made with Corning fiber. Standard length of 3 meters: 1 meter 900um 'fan out' and 2 meter distribution 'tail'.

1 3mm Jacket

2 Kevlar with 250µm

3 Color 250µm
